

RITE NOW @ ROP

Community service is an integral part of the culture at Woodford Home. It promotes a feeling of leadership and supports positive outcomes for students. By providing them with opportunities to volunteer in the community, it not only helps them build valuable relationships, but gives them a sense of civic responsibility. Woodford Home students have been volunteering in the community for the past four years.

Woodford Home students recently volunteered at Potawatomi Conservatories by setting up chairs and tables for community events and helping with landscaping by moving rocks and setting up bunny cages around their property. The students returned three times to complete this project for an hour each time and were praised for their efforts. As a special treat, they were rewarded with pizza and sodas.

Woodford Home students and staff have also been honored by the River Park Association as one of four neighborhood organizations that have made a substantial contribution to the community. They were recognized with a \$500 donation. Woodford Home is considered a very valuable participant in the River Park area.
